an appeal. Accordingly, the application is herewith being remanded to the Examiner. The matter requiring attention is identified below.

At least one of claims 1-35 of the instant application are set forth as method claims that may not fall with one of the four statutory categories of invention recited in 35 U.S.C. § 101. On May 15, 2008 the Deputy Commissioner for Patent Examining Policy, John J. Love, issued a memorandum entitled "Clarification of "Processes" under 35 U.S.C. §101." This memorandum further is used in conjunction with the Interim Guidelines and the Manual of Patent Examining Procedure § 2106.IV.B, when determining whether a claimed invention falls within a statutory category of invention. There is a question as to whether claims 1-35 meet the requirements of being patent eligible process under 35 U.S.C. § 101.

Accordingly, it is

ORDERED that the application is remanded to the Examiner to determine if claims 1-35 meet the requirements of being a patent eligible process under 35 U.S.C § 101.
